

2017 CHAMPIONSHIP FURTHER INFORMATION

PRACTICE SESSION

The practice being held on Thursday 14th September from 2.45pm – 3.45pm will be in the charge of Matthew Biggs. All of the older skaters are expected to assist with the moving of the mats before and after the session. Assistance from parents would be much appreciated. This also applies to the beginning and end of each championship session.

DURING EVENTS

As there could be alterations to the programme, skaters are requested to remain in the rink until the end of each session.

Skaters not available when called to the heat box may be excluded from the event.

TEAM LEADERS

Team Leaders or coaches should make themselves available if required, to pass on communication between the officials and the skaters.

PRESENTATION DINNER

It would be appreciated if all competitors confirm their attendance at the Presentation Dinner by 8th September. No tickets will be available for purchase after 8th September.
